## **Joseph and the Amazing Technicolour Dreamcoat – Information for Phoenix and Griffin Classes Only**

As per the information which was sent home this week via ParentPay, pupils in Phoenix and Griffin classes will be performing Joseph and the Amazing Colour Dreamcoat at 1.30pm and 6.00pm on Tuesday 16th July. As we hope you will understand, space in our hall for the audience is limited and we are able to offer two places per family, per performance. We will not be issuing tickets, but a member of staff will be on the door to sign you in. In the interests of fairness, please do not offer any places you do not require to other families. To ensure there is no embarrassment at the performances please do not arrive with additional guests as we will not be able to admit them. Younger siblings will have the opportunity to watch the dress rehearsal and we will not be able to admit any children under the age of 5 for either of the performances. For the afternoon performance, the hall will be ready from 1.20pm. Following the afternoon performance, you may collect your child from their classroom once they have changed. You may also collect younger siblings. If your child is being collected by someone who is not on their contact list, then please email the school office to advise of collection arrangements. For the evening performance, please can pupils arrive at school through the main door at 5.40pm. After the performance, please wait for your child in the hall as they will go to their classroom to get changed and will then be sent up to you.
